

**Have You Had Your Driving Privileges Suspended?  
Or Are You  
Facing the Possibility of Losing Your License?**

There is Help Available!

The License Restoration Project is a specifically targeted project designed to provide monetary and/or lay assistance to TANF and Post-TANF individuals who are facing the possibility or have already had their driver's licenses suspended.

The goal of this project is to help customer's either avoid suspension, or in the case of suspension, have their license and driving privileges restored. The project will serve WFNJ-TANF participants, and Post-TANF participants who are residents of Passaic County.
